Dear Customer,

It is with great pleasure that I would like to inform you that Rykneld Tean Ltd is now part of the Oppermann Group.

Oppermann are a worldwide leader in automotive, lifting and heavy industrial webbing. The head office in Einbeck, Germany, has been the heart of the operation since 1848. Oppermann now produce webbing from 7 factories the world over and can produce in excess of 250 million metres of webbing per annum.

Being part of the Oppermann Group will further strengthen our position in the market place thus offering our customer base a broader spectrum of industrial and technical webbing.

Rykneld Tean Ltd will continue to operate under the same management structure and in the same business format.

Please be assured, the change in company ownership will not affect ongoing business.

Your account manager and I remain at your disposal if you require any further information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sebastien Ianssen', written over a horizontal line.
